

Jerseys

Our Ciovita Men's and Ladies jerseys come in three fit styles. Our Club Fit Jerseys, which feature a relaxed, easy fit for maximum comfort on everyday rides. Our Sports Fit Jerseys, which are commonly referred to as regular fits, and are tighter with elasticated back panels. And our Race Fit, which fits tightly to the body for extreme aerodynamics. Please see the guide below for the recommended size with regard to chest measurements.

RACE FIT
